DRAGONCON MARKETING: Bookmarks and Chocolate Coins.  
Quoted from e-mail from David B:

In preparation for Dragon\*Con I would like to request from the officers a budget for marketing our shows of \$400. This would cover the following items:

- Printing of bookmarks (\$155 for 2500 bookmarks + approx \$30 shipping == \$185) from PressEX ([www.pressexprint.com](http://www.pressexprint.com))
- Manufacture of chocolate coins, wrapped in gold foil, stamped with the ARTC logo and URL (\$0.28 each for 500 + \$30 to stamp our logo == \$170 + unknown shipping cost) from Choconet (<http://www.choconet1.com/>).

I have allowed a small excess for incidental expenses.

The bookmarks will take one full week to acquire once submitted and the coins will take approximately 12 business days + shipping time.

Discussion: An additional \$90 would double the quantity of chocolate coins. Budget modified to \$550 to allow for larger order of coins, to ensure that some would be available for Talk Like A Pirate Day.

Motion (David B / Daniel T) to budget \$550 for this purpose passes.

### PRINTING

David proposes professional B/W printing for liner notes, to ease pressure on Daniel K and wear on his printer.

Motion (Daniel T/Nancy) to budget \$200 for this purpose passes.

### FLOWERS

DK suggests sending flowers to Linaweaver's Mom's funeral.

Motion (Brad/Bill) to budget \$75 for this purpose passes.

Motion (Bill/DT) to adjourn passes at 8:51pm.
