Vice President's report:

- Live Productions

- World Horror's production of The Passion of Frankenstein went quite well

- At LibertyCon we are planning to do Frankenstein, plus selected readings from Atterwald, Liar, and H. Beam Piper

- At Dragon*Con we are planning to do Frankenstein, plus Blues for Johnny Raven and Rory Rammer, Queen of the Spaceways, plus selections from Captain Marvel for the Comics Track and from Bored of the Rings for the Tolkien Track.

- For Conjuraton we currently do not have anything planned

- The only other thing currently being considered for 2015 is a Christmas show, with a venue yet to be determined

- Live shows for 2016 will likely be AnachroCon, Treklanta, 221BCon, DeepSouthCon, LibertyCon and Dragon*Con

- Studio Productions

- Should have finished versions of Blues for Johnny Raven and War of the Worlds for sale at Dragon*Con

- Dash Cardigan is still in progress and will take a while due to challenges associated with wrangling actors

- Colour Out of Space is in process and would be a "nice to have" for Dragon*Con but there are no guarantees

- Sherlock Holmes and the Crime of the Century has made a lot of progress in recording music. We are hoping to be able to get actors back to the studio to start recording lines in August.

- Treasure Island recording has ground to a halt because our professional actors are very busy and hard to get in the same place at the same time

- Sketch's Brotherhood of Damn Sassy Mutants is in process

- Nairobi Jack is going just fine

- Web site update is in process

- Graphic Designer Update: the results from the person hired for this work weren't good and the person resigned. That means we will likely not have a new sign/pull down banner for the Sales Table in time for Dragon*Con

- Embroidered ARTC logo t-shirts: Amanda is still a possible research after her surgery. Adam Ross designated to coordinate with her. Also may investigate Yellow Llama Embroidery.

- The Hoyden Status: a resolution acceptable to all parties was found and approved
- David Benedict will be attending the Hear Now Festival in Kansas City
- David B. will conduct an Indiegogo campaign to see if there's sufficient support to make a CD version of Blues for Johnny Raven
- Adjourned at 4:03pm. Next meeting: July 18, 2015 at 2:00pm.
