

**ARTC Board meeting**  
**minutes**  
**07/10/2022**

- Attending: Billy Barefoot, David Benedict, Ellie Cook, Jobie Bailey, Bill Ritch, Retta Bodhaine, Dave Schroeder, Brian Smith, Alton Leonard
  
- meeting called to order at 14:03
  
- Future of rehearsals
  - we like the virtual rehearsal with a few in-person closer to show
  - switching platforms would not give great improvement
  - will remain on Discord for the time being
  - we are still interested in a hybrid version
  - David suggests that we do not need a full tech rehearsal prior to every show
    - would shorten the rehearsal time with more focus on actor chemistry & timing for sound
  - If we can find a place for the Whisper Room, it is feasible to use this space for rehearsals
  
- Dates are scheduled for Halloween & Christmas shows
  - David & Billy will update the google ARTC calendar as information becomes available
  
- We need training on the sound board and a separate recording device to record live shows
  - also need contingency boards and operators for shows
  - we will discuss these issues with Robert to see if he will impart more knowledge to the group
  
- Library shows?
  - Gwinnett's system would have us back
  - we have lots of new people & this would be a way to get them involved
  - we think we should move into this slowly
  - Retta will contact the Gwinnett system to see if they are still interested

- Harassment policy
  - We are still looking at this and need to tailor for our needs
    - Dave Schroeder will report
- next meeting scheduled for August 14 @ 16:00
- meet adjourned at 15:07
